

## PART H – FORM OF TENDER

The Bidder, having examined the RFT including all the Contract Documents and any issued Addenda hereby offers and agrees to enter into a Contract to perform the Work at the price detailed below. Furthermore, it is certified that the undersigned is authorized to sign and submit this RFT and to legally bind the Bidder.

By submitting a bid in response to this RFT, the Bidder hereby certifies to the City that:

- (a) It has carefully examined the RFT documents and has a clear understanding of the project as described in this RFT.
- (b) It is in good standing with its creditors and financial institutions and is financially able to perform and meet any and all duties, liabilities and obligations as may be required of it under any agreement/contract resulting from this RFT.
- (c) It has put forth all of its comments and/or questions with respect to this RFT over the period that inquiries were permitted and affirms its agreement that the City has adequately responded to these concerns or questions in one matter or another either through direct response or through published Addenda.
- (d) It acknowledges the incorporation and use of VPM Scores in bid evaluations, as defined in Article 4 in Part A – Evaluation and Selection Methodology, including the use of the industry average OVS for bidders who do not have an OVS in the VPM system.
